

LEWISHAM CYCLISTS

- Accelerate Existing Schemes
- Temporary Modal Filters
- Temporary Cycle Lanes
- School Streets
- Upgrade Existing Routes

Lewisham Cyclists are calling for emergency action across the borough to enable safe walking and cycling. With social distancing measures set to continue for the foreseeable future, space for cycling is more important than ever.

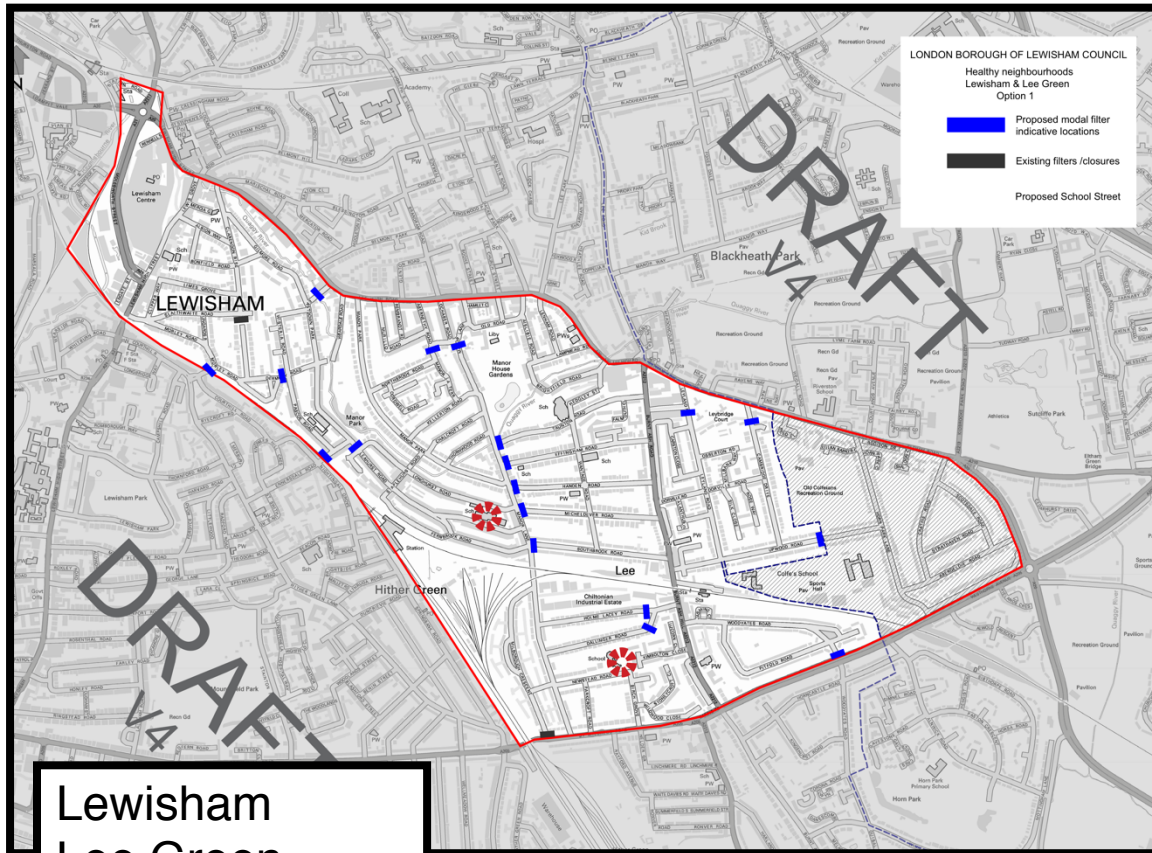

Five immediate responses to COVID-19

LEWISHAM CYCLISTS

Accelerate Construction of Existing Schemes

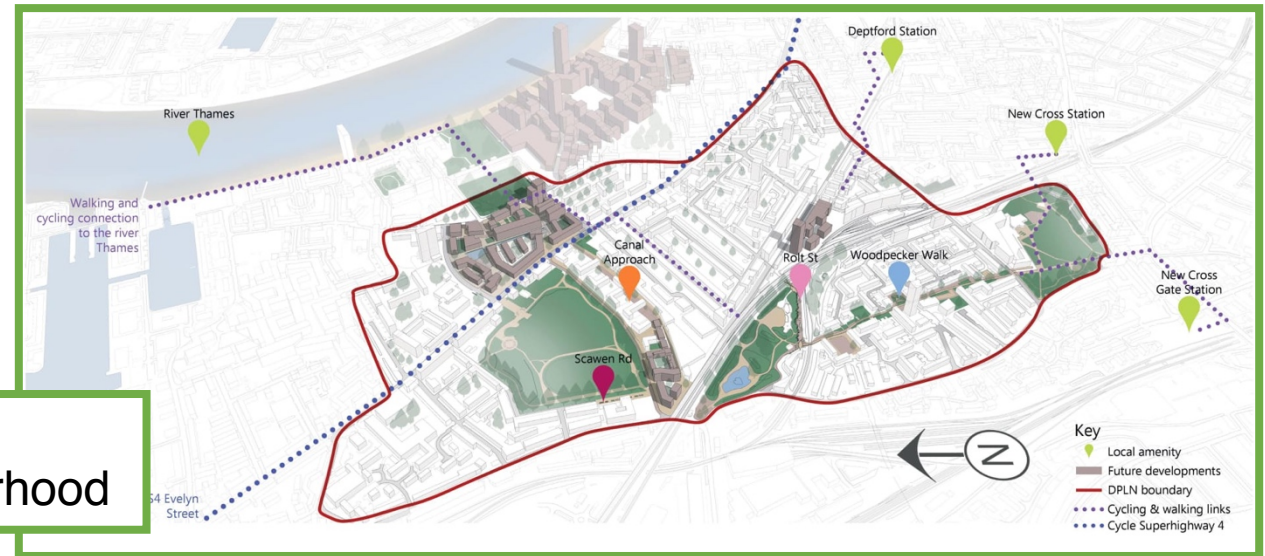

Lewisham
Lee Green
Healthy
Neighbourhood

Deptford Parks
Liveable Neighbourhood

Cycleway 4

LEWISHAM
CYCLISTS

Temporary Cycle Lanes

Baring Road
Grove Park/Whitefoot

Safe space for cycling
on main roads

LEWISHAM CYCLISTS

Temporary Modal Filters

Hilly Fields
Ladywell/Brockley

Harefield Rd

2 new 'bus gates', allowing
through access for buses,
cycles and pedestrians only

Preventing rat-running and opening up safe
space for socially-distanced walking and
cycling

Hilly Fields Crescent

Crescent Way

Whitep

Brookbank Rd

Cliffview Rd

Tresillian St

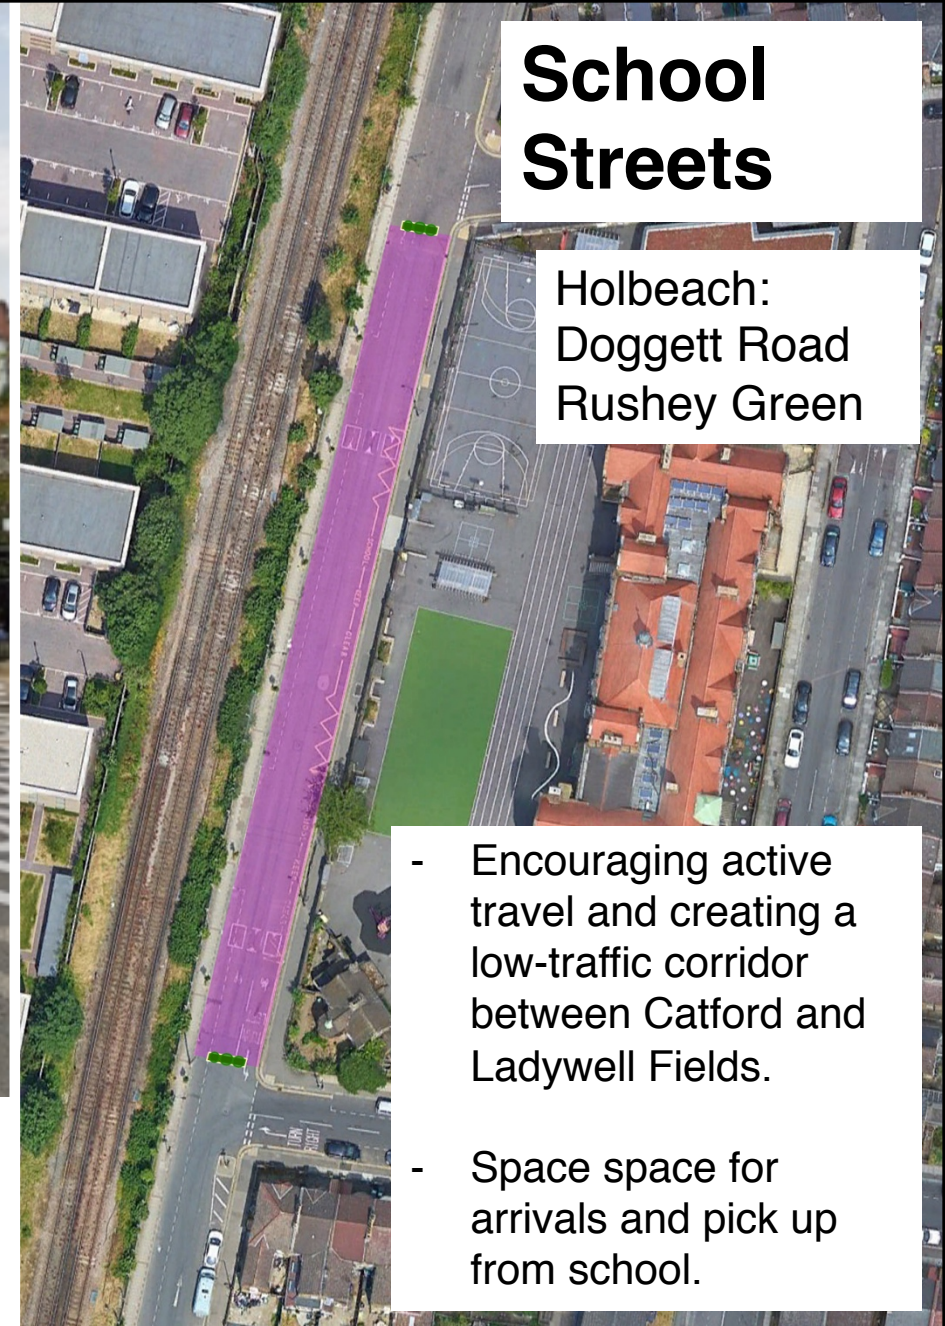

LEWISHAM CYCLISTS

Longer-term carriageway could be permanently allocated.
(St Augustine's school in Bellingham, with through pedestrian and cycle link retained)

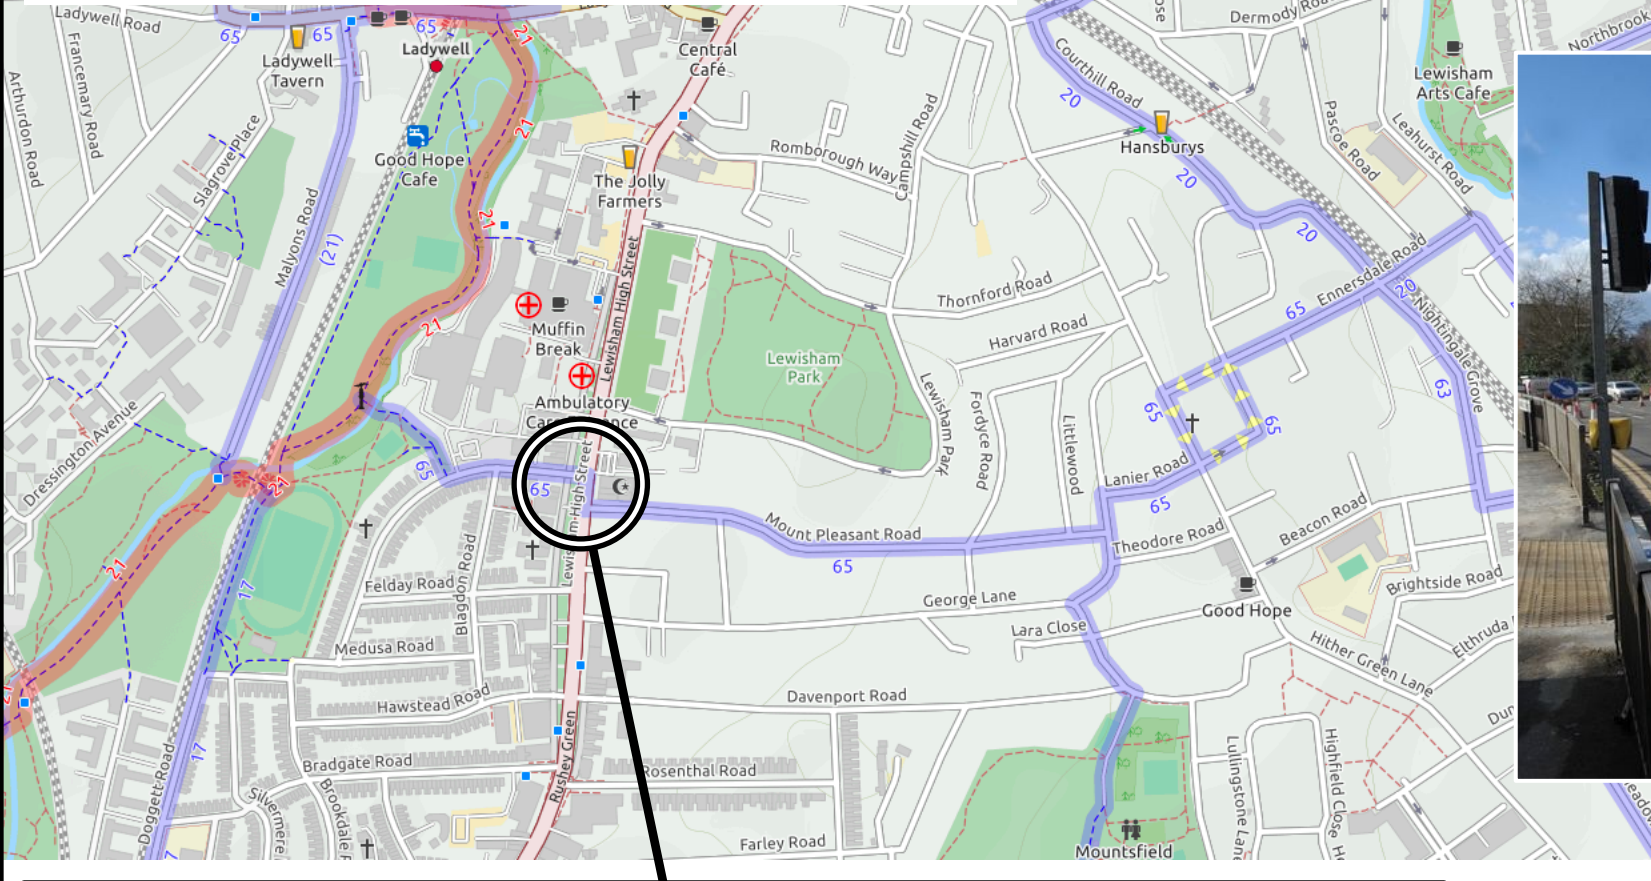

School Streets

Holbeach:
Doggett Road
Rushey Green

- Encouraging active travel and creating a low-traffic corridor between Catford and Ladywell Fields.
- Space space for arrivals and pick up from school.

LEWISHAM CYCLISTS

Improve East-West connectivity with crossing linking to temporary TfL cycle lanes on A21, creating an easy and safe link for LCN 65 users

Upgrade Existing Routes

Install a temporary crossing on A21 linking Hither Green & Ladywell

Enable local journeys by foot and by cycle by removing barriers caused by major roads and heavy traffic.
