For Google Meet

- On your computer you will need to use a modern browser i.e. Chrome, Firefox, Safari or Edge (not Internet Explorer).
- On your mobile device (iPad, iPhone or Android tablet or Android phone) you should install the 'Google Hangouts Meet' app.
- Please connect into the meeting in advance e.g. at 6.25pm as, for the benefit of all attendees, the meeting will proceed to schedule notwithstanding individual people's connection issues.
- All attendees should MUTE the microphone in their Meet session to prevent 'feedback'.
- Use the Meet 'chat' box to type in any questions for the Chair and the relevant Committee Member will respond, time permitting.

Anyone who wants to work together in support of our vision for people on bicycles in Lewisham is welcome to join our meeting. Meet other local cyclists, hear about current cycling developments in Lewisham and have an opportunity to influence our campaigns on future schemes.
