- Discussion on best day of the month for monthly meeting. It would be easier for our Treasurer if later in the month. Also want to avoid clashes with major Council Meetings. 2nd Thursday of the month looks like a possible choice - LC Committee is investigating if there are any potential conflicts regarding that day.
- Treasurers Ongoing Budget Report (see Appendix A for details). (5 mins)
  - John's comments are as follows:
 

"As you can see from the attached Ongoing Budget we are in quite a good financial position for this year as compared with previous estimates. This mainly due to substantial arrears of payment from Southwark Cyclists DunRun and a reduction of the ongoing mechanic's costs for the 3rd Sunday sessions.

Looking to the future this means that we may be able survive next year i.e. 2026/27 even if we do not receive any other grants or sources of income."
- Current consultations and planning applications (for information)
  - Members are encouraged to respond to these:
    - Lewisham Sustainable Streets final consultation covering remaining wards (Closes 16th June).
