

Make sure the Southwark section of Cycleway 4 through Surrey Quays is retained and further improved by **Taking the Survey** at:

<https://engage.southwark.gov.uk/en-GB/projects/lower-road-safety-improvements/info>

The full set of Lewisham Cyclists' recommended quick responses are as follows:

How often do you use the cycle track:

Respond with your frequency of usage

Do you agree with the overall proposal (this is the critical response supporting the scheme).

Strongly agree

Please give reasons for your answer if you wish (optional)

I prefer option Two: make the scheme permanent and incorporate the proposed improvements

Do you wish to answer questions about specific aspects of the current scheme?

No

Do you wish to answer questions about the Culling Road Junction?

No

Do you wish to answer questions about the Neptune Street Junction?

No

Do you wish to answer questions about the Ann Moss Way Junction?

No

Do you wish to answer questions about the Chilton Grove Junction?

No

Are there any further safety improvements that we should consider as part of the Lower Road scheme?

Leave blank or add your personal comments. We recommend that you don't include significant negative comments about the current layout here as this Survey is all about ensuring the scheme is made permanent and not removed.

In what capacity are you responding to this consultation?

Your personal response

Which road do you live on

Required entry so if you live outside the listed roads choose 'Other' and input your road name

How do you travel in the Lower Road area?

Your personal response

Do you own a car or other private motor vehicle? (optional)

Leave blank or your personal response

Do you own a bike or scooter? (optional)

Leave blank or your personal response

How did you find out about the consultation? (optional)

Leave blank or your personal response

Complete the Equalities questions

Finally include your email so you have a record of your responses.
