LC are the local group for the London Cycling Campaign (LCC) in Lewisham. Anyone who wants to work together in support of our vision for people on cycles in Lewisham is welcome to join our meeting. Meet other local cyclists, hear about current cycling developments in Lewisham and have an opportunity to influence our campaigns on future schemes.

For the best meeting experience, we recommend you attend in-person. You can also attend online via Google Meet, but as this will be facilitated by a single laptop it may not be easy to follow all aspects of the meeting. Connection details for Google Meet: On your computer you will need to use a modern browser i.e. Chrome, Firefox, Safari or Edge (not Internet Explorer). On your mobile device (iPad, iPhone or Android tablet or Android phone) you should install the 'Google Meet' app. Please only connect from 6.30pm onwards as we won't open the online meeting till then. If you can't connect initially, please wait a few minutes then try again in case we are having technical issues at the venue. All attendees should MUTE the microphone in their Meet session to prevent 'feedback'.

Use the Meet 'chat' box to type in any questions for the Chair and the relevant Committee Member will respond, time permitting. **Connection details are:** <http://meet.google.com/xwt-mxhi-hcf>
